Thriving with Kidney Disease - Recognizing and Managing Depression

Not just surviving, making sure the patient voice is heard!

What matters to you? What makes you get up in the morning?

What makes life worthwhile?

What are you passionate about?

Start a non-profit

Continue being ME!

Enjoy the best of my life in peace

I'm fresh out

Do more for transplant patients

Be a better advocate for the dialysis community

Show others that there's hope

You're entitled to your feelings!

I need a reason to fight through.

I've got enough of a burden of desire.

It's traumatic!

Making hard choices everyday

Call. Who can help me?

Diagnosis. Life-threatening illness.

Pain. What matters to you.

Rely on your peers. Ask for help.

Feeling your goals and dreams.

Journey.

It's about time!

Financial.

Fear.

Disability.

Robbed of desire.

Mindset.

Nora.

Meditation.

Hope.

Travel.

Make a difference.

Complete my masters degree from my PhD

Trying one new thing every month!

I study on hope!

Don't give up. Don't give in always fight

Living.

Leverage.

Learning.

Ministry.

Be a leader.
